ABOUT TIFFITASTES

tiffitastes is a casual food blog that features easy homecooked meals, snack reviews, and foodventures. tiffitastes is based in Southern California but occasionally features travel food. Photos are taken with iPhone or DSLR and all content is original.

ABOUT TIFFANY SY

My interest for food grew after starting tiffitastes. I love cooking because I get to experiment with new and different cuisines and flavors. I also love going to new places to eat for that same reason. I got my Bachelor's in Business Administration from USC and worked as a hostess and barista.
